dread trident focuses on tabletop role playing games as vital mechanisms in the increasing creation of realized worlds in modern culture we often think of these as emerging from novel reading film viewing or video game playing rarely do we consider the worlds of analog games such as dungeons and dragons

novel focused on lysander peerless captain of the imperial fists space marines and wielder of the fist of dorn captain darnath lysander hero of the imperial fists and captain of their elite first company leads his brothers in an assault on a daemon world beset by unimaginable horrors and tortured by memories of his time imprisoned by the dark forces of the iron warriors legion lysander must rally his space marines to defeat the master of the daemon hordes before they are all consumed or corrupted by the insidious powers of chaos

neil j morrison seeks to explain the lack of systematization in the outworking of retribution in chronicles while retribution is designed to foster religious commitment it is often constrained by other factors so that the divine and human poles of the nexus come to predominate at different points
