small dictionaries and curiosity tells a story which has not been told before that of the first european
 wordlists of minority and unofficial languages and dialects from the end of the middle ages to the early
 nineteenth century these wordlists were collected by people who were curious about the unrecorded or little
 known languages they heard around them between them they document more than 40 language varieties
 from a basque icelandic pidgin of the north atlantic to the kalmyk language of the lower volga the book
 gives an account of about 90 of these dictionaries and wordlists some of them single page jottings and some
 of them full sized printed books paying attention to their content and their physical form alike it explores
 the kinds of curiosity and imagination by which their makers were moved the lover of all languages hearing
 new voices in an inn the speaker of a dying language recording his linguistic memories the patriot
 deploying his lexicographical findings in the service of an emerging nation it offers an encounter with the
 diverse voices of the entirety of post medieval europe turning away from the people of the courts and
 universities whose language was documented in big dictionaries to listen to people who did not speak the
 languages of power the people of remote places and dying communities the illiterate poor settled or

homeless migrants from the edges of Europe and beyond

The encyclopedia of Caribbean religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective. Generously illustrated, this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever-changing and varied historical phenomenon. Organized alphabetically, entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world. Systematically organized by theme and area, the encyclopedia considers religious traditions such as Vodou, Rastafari, Sunni Islam, Sanatan Dharma, Judaism, and the Roman Catholic and Seventh Day Adventist churches. Detailed subentries present topics such as religious rituals, beliefs, practices, specific historical developments, geographical differences, and gender roles within major traditions. Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean. Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project, the encyclopedia of Caribbean religions will foster a greater understanding of the role of religion in Caribbean life and society in the Caribbean diaspora and in wider national and transnational spaces.
