in an effort to recruit better musicians develop their musicianship on the college level and support the development of instrumental music and band programs in the black schools of florida leander a kirksey jr gathered former famc graduates for a meeting and organized what became known as the florida association of band directors fabd a band in every school portraits of historically black school bands in florida second edition contains a historical account of the fabd and additional photographs of some of those school bands that were organized during segregation

in tests of three types of bands extra wide bands lock on bands and regular u s fish and wildlife service bands little difference was noted in the retention qualities of the three types on waterfowl therefore there appeared to be no advantage in using either the extra wide or the lock on type of band rather than the regular band now in use by waterfowl banders on this continent waterfowl banded with two bands provided recovery data that were difficult to analyze but suggested

that it might be worthwhile to identify banded birds with another type of mark and evaluate the retention of bands through subsequent recapture of the birds
